E-BOOK

## Media and Information Literacy: An Integrated Approach for the 21st Century

Publication: Chandos Information Professional Series, Jan 1, 2017 • eBook Collection (EBSCOhost)  
By: Marcus Leaning

LANGUAGE ARTS & DISCIPLINES / Communication Studie

 **Available:** 3 of 3 copies available

### Abstract

Media and Information Literacy: An Integrated Approach for the 21st Century provides a novel rationale for the direction to contemporary media and information literacy education. The book takes a synthetic approach to these areas, presenting critical histories of both.

A close-up, low-angle shot of a man's face and hands. He is smiling and looking down at a smartphone he is holding with both hands. The background is dark with several out-of-focus, warm-toned circular lights, creating a bokeh effect. The overall mood is professional and modern.

**NEW!**  
Downloading eBooks within the app

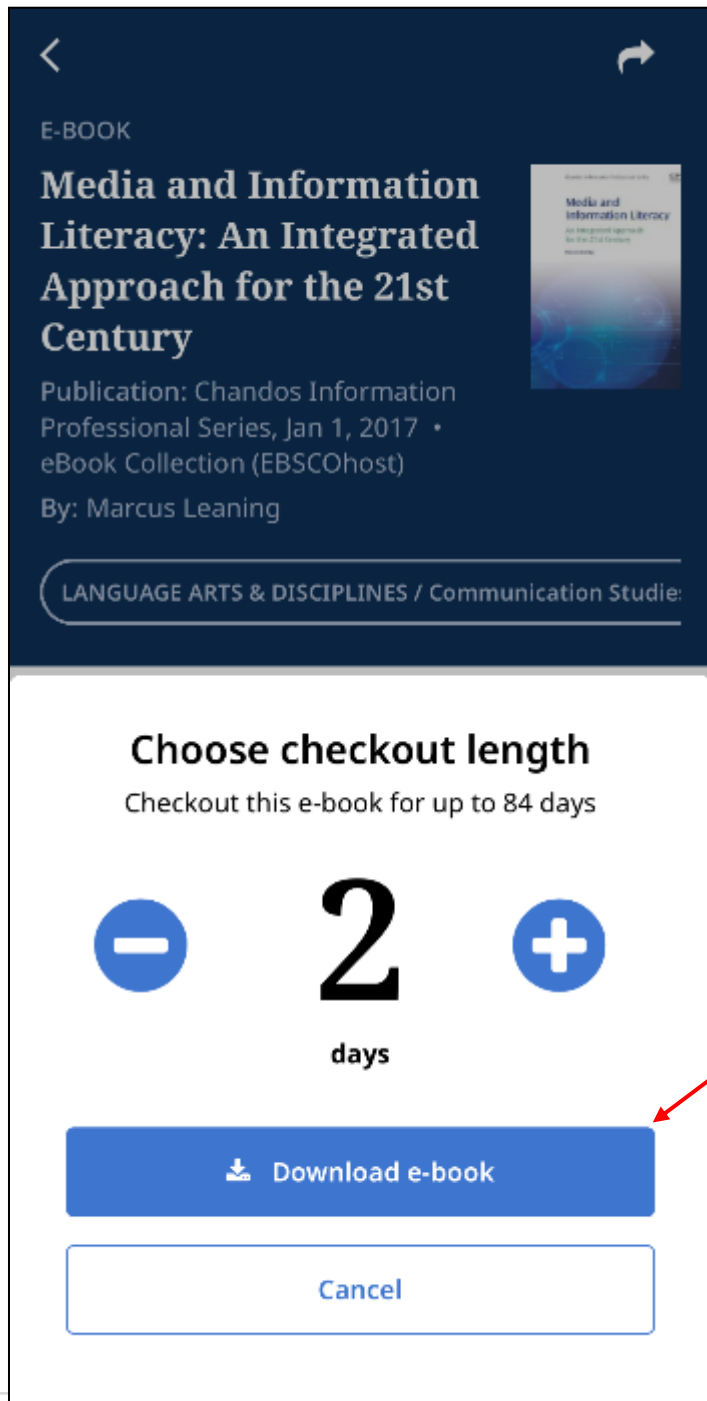

The details page tells you how many copies your institution has available for reading.

Tap the **Download e-book** button to begin the download process.

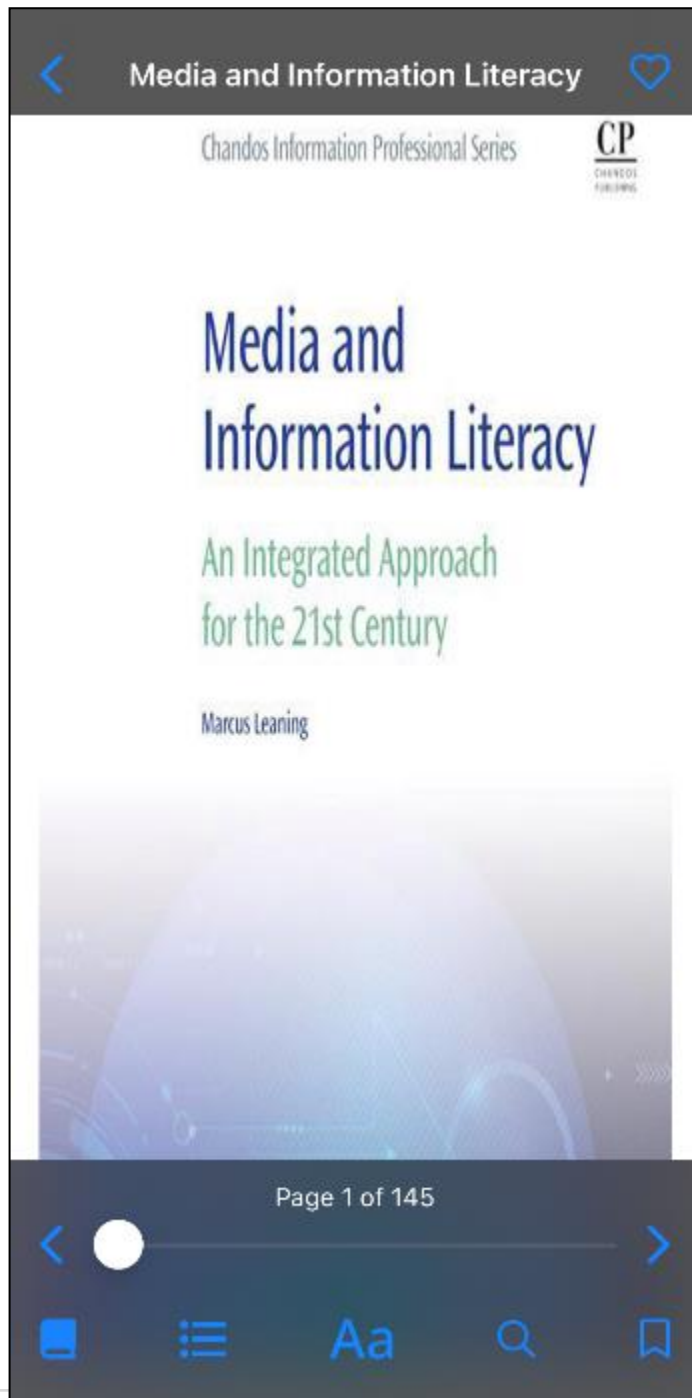

**Please note**, if you are not signed into the App with your personal user account, you will be prompted to sign in, unless the eBook is available without DRM restrictions.

See the EBSCO Mobile App Quick Start guide on EBSCO Connect to learn about creating a Personal Account in the app.

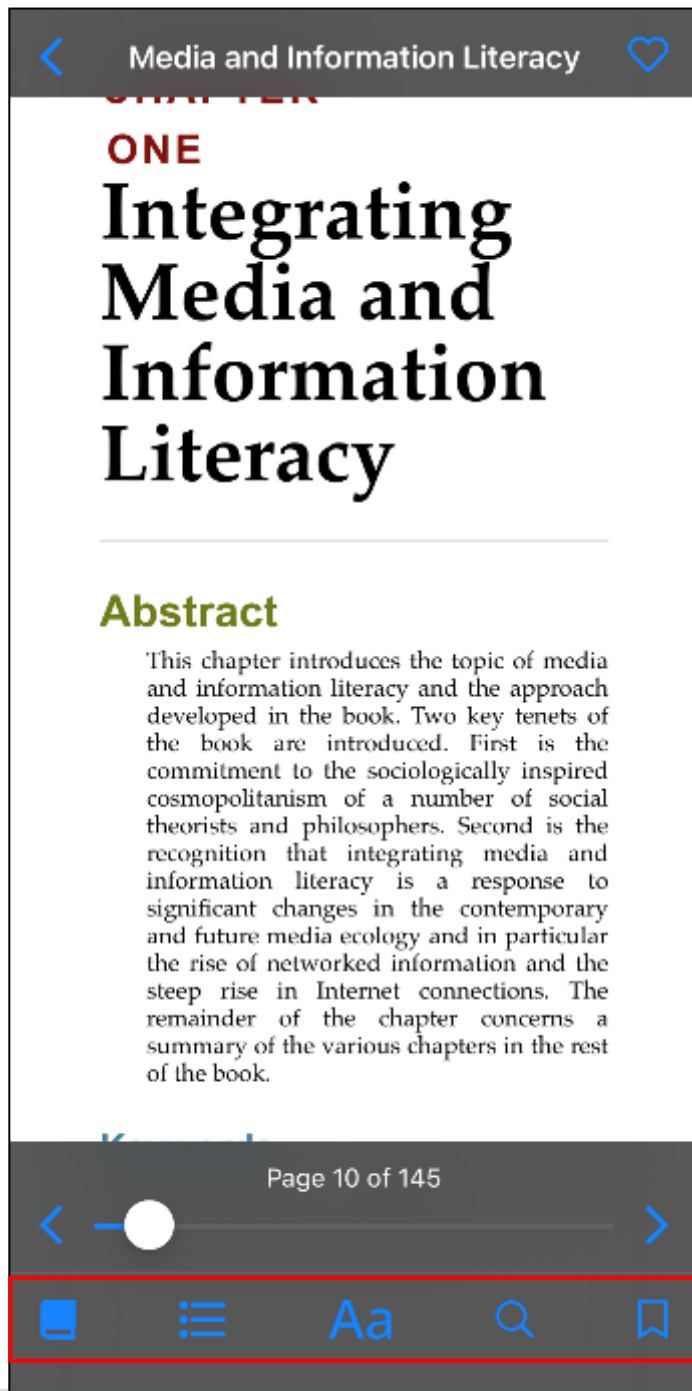

Use the plus/minus buttons to select a checkout length and tap the **Download e-book** button.

Your checkout of the eBook will expire at the end of the duration you select and your access to the title ends unless you decide to checkout and download it again.

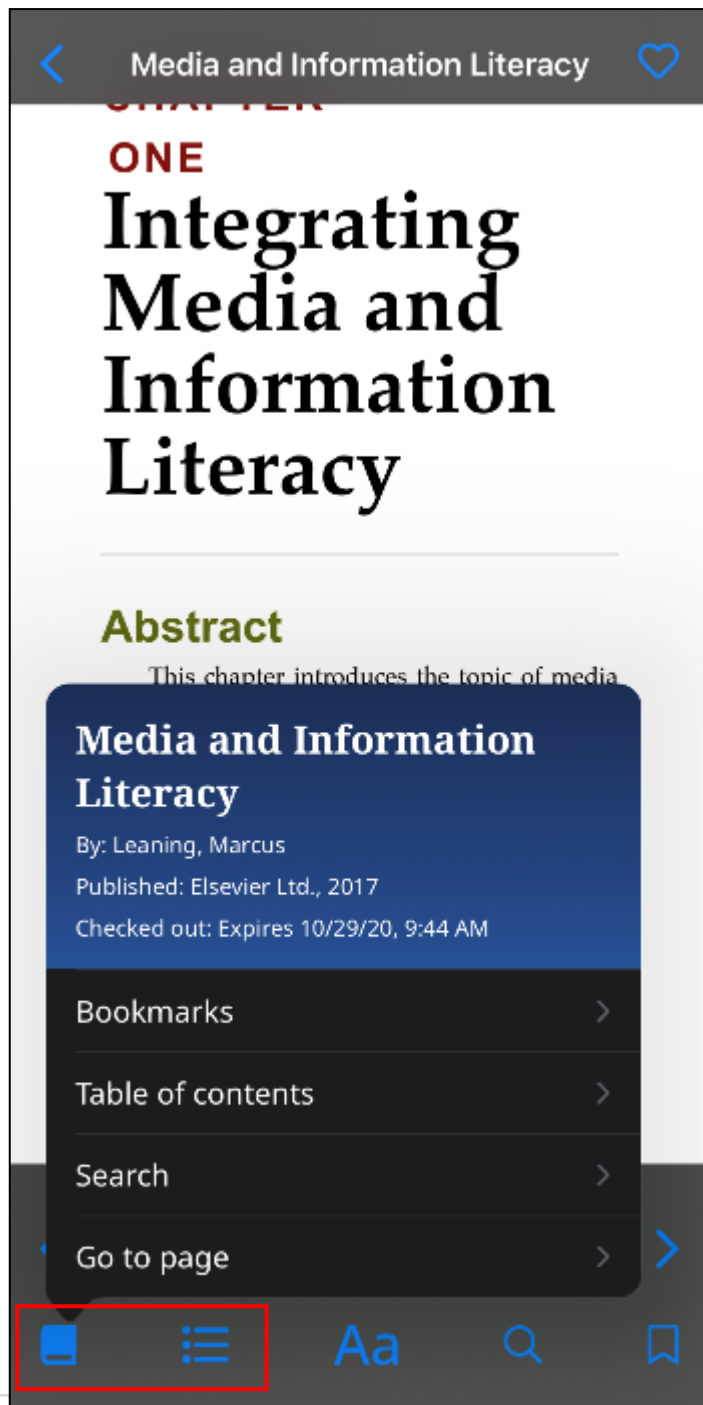

The eBook is downloaded and opened in the app. Use the arrows or the slider to navigate the eBook pages.

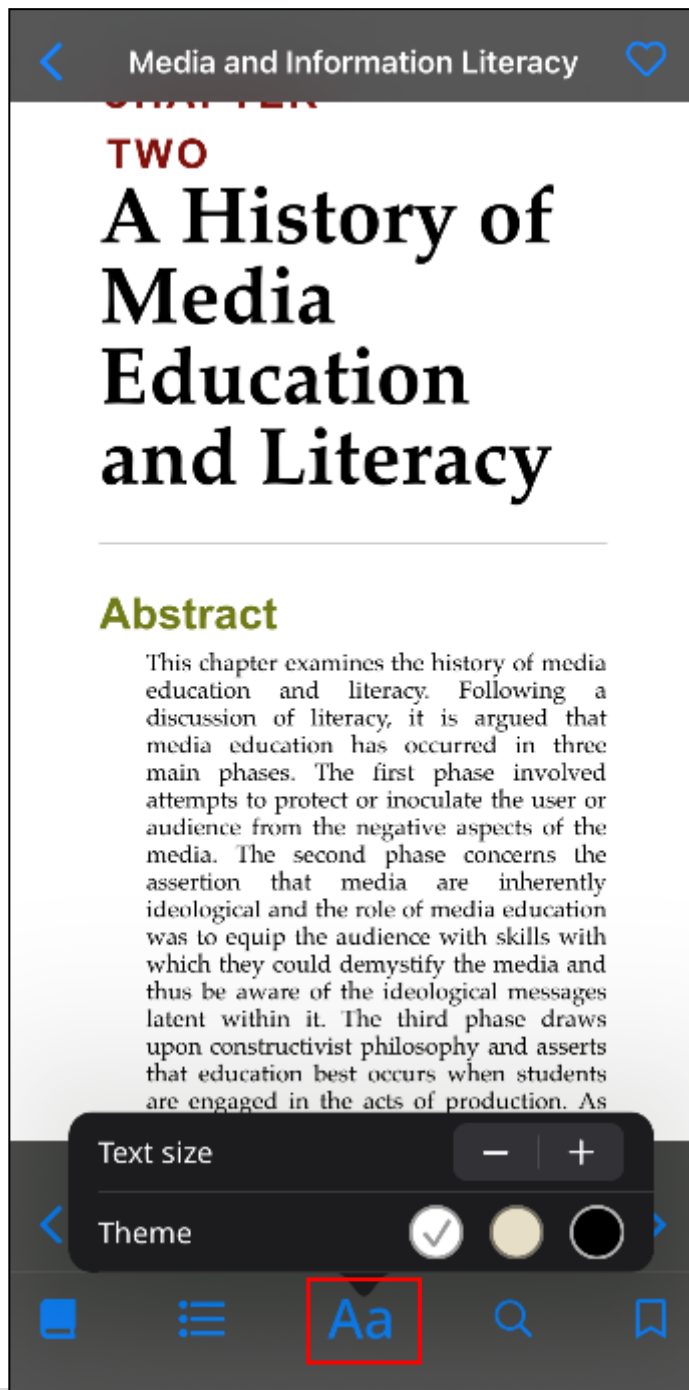

You have several options available using the tools at the bottom of the viewer.

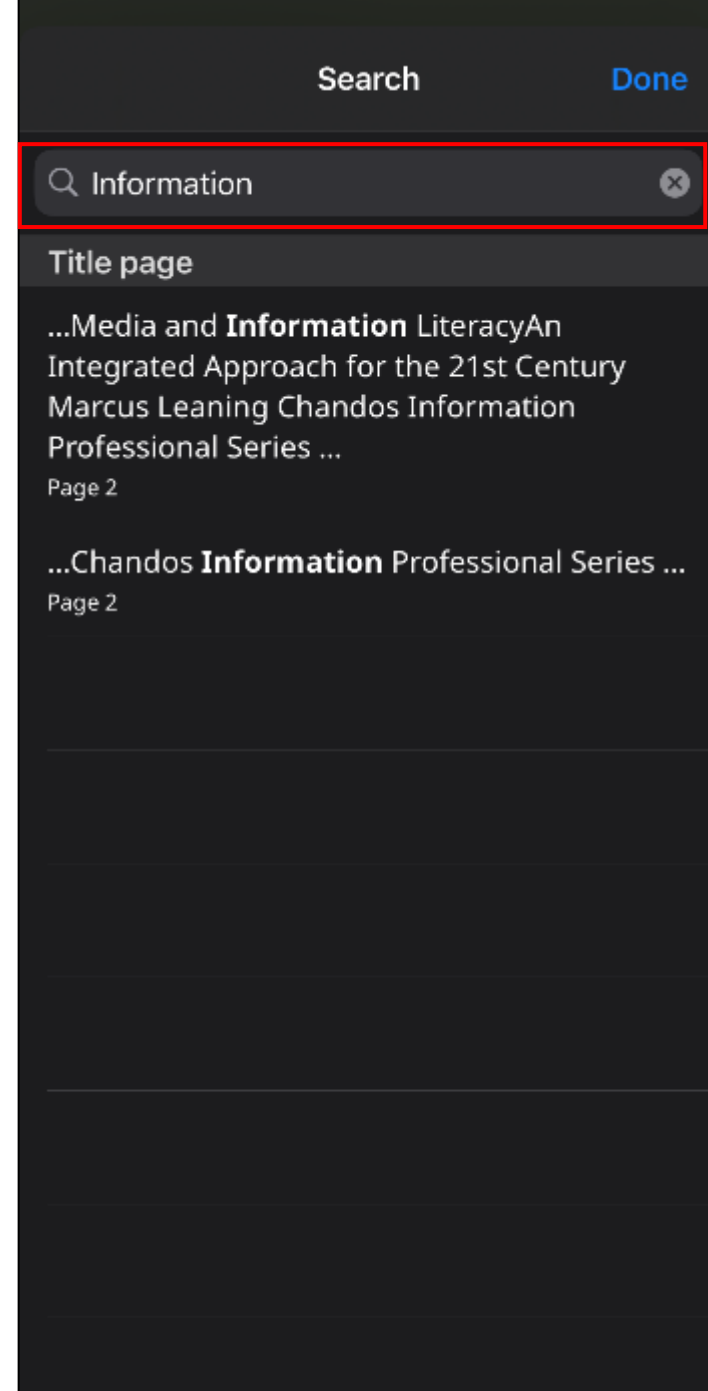

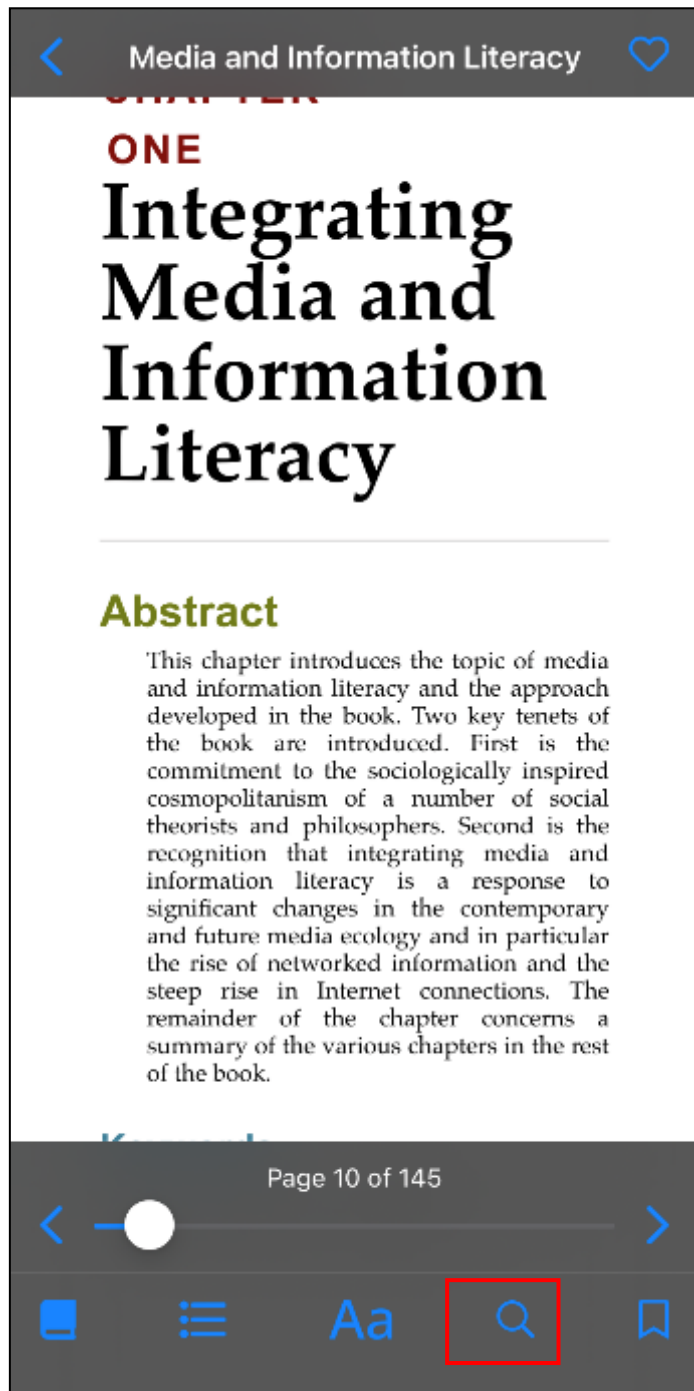

Tap the **Book Info** icon to view the eBook pages you've bookmarked, access the Table of Contents, search within the text of the eBook, or go to a specific page.

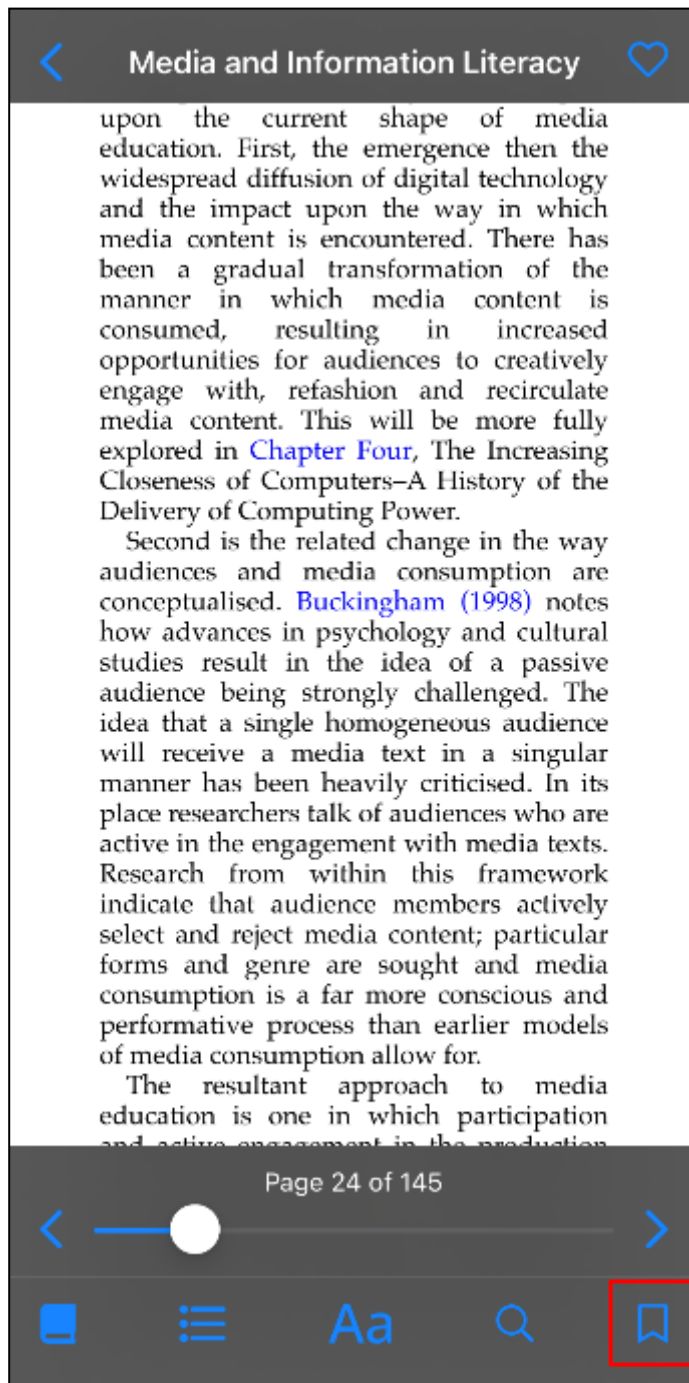

You can also tap the Table of Contents icon to go directly to it from the menu at the bottom.

Tap the display options menu button to adjust how the eBook is displayed in the viewer.

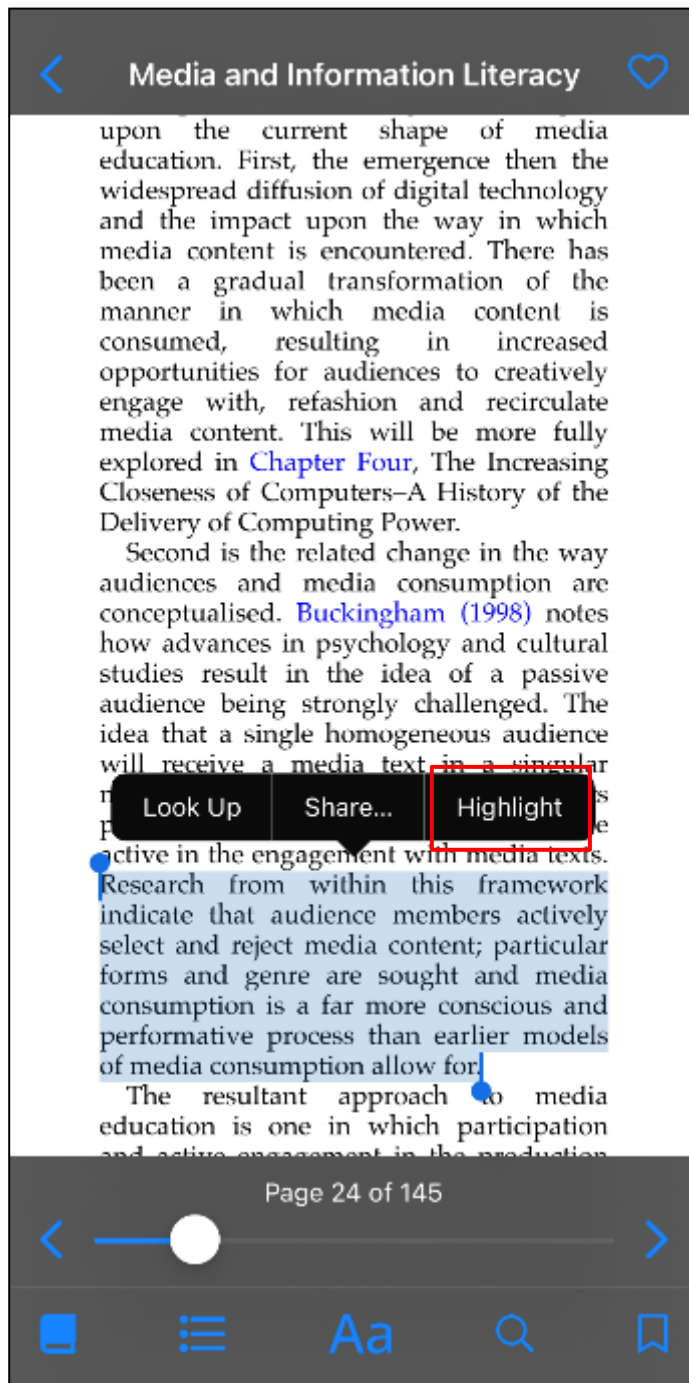

Using the Search feature, you can search for all instances of a keyword in the text of an eBook. Tap a result to go directly to that part of the eBook.

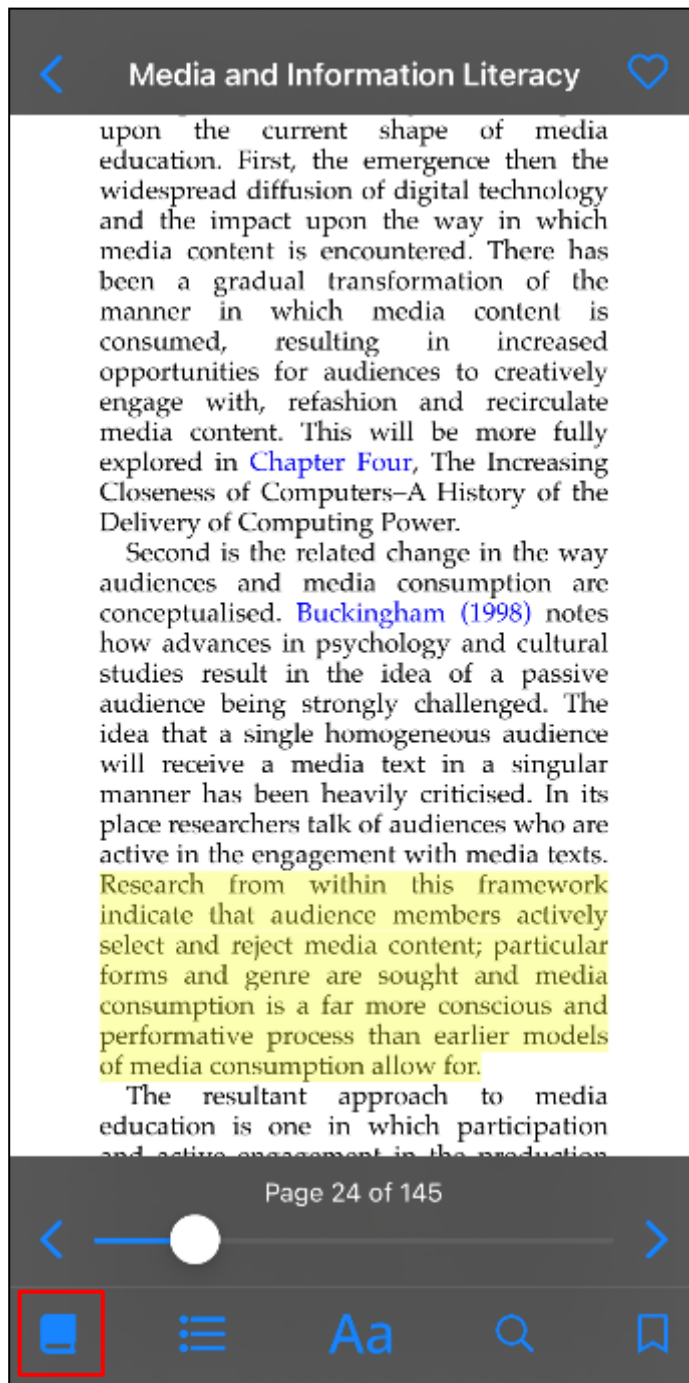

While reading an eBook, you can tap the bookmark icon to save that page to your saved bookmarks for that eBook title.

You can also highlight certain passages and save them to your bookmarks. Begin by long-pressing the screen with your finger.

Select the text you would like to highlight and then tap Highlight.

The highlighted text is added to your bookmarks. Tap the Book info icon and select Bookmarks to view them.
